Welcome to Year 2 in the BPharm!

Please see details below for your Part 2 Orientation programme which is fully online through Canvas and Zoom. Zoom links will be provided in the Orientation Module of your PHARMACY 212 Canvas site by Friday 18 February.

Please make sure for the sessions below highlighted in Green below that you are able to attend the live sessions with video and audio capabilities (ideally on a laptop computer). For all other sessions and areas indicated in Yellow below, these can be viewed and accessed at different times but ideal dates/times have been indicated so you have viewed content you will need before any live sessions.

Start of semester – a mix of online and face-to-face on-campus learning

We will be having most lectures and some workshops provided online at the start of semester in March and April because of the guidance from our Vice-Chancellor to teach remotely where possible.

However, we will have a number of our necessary clinical laboratories and dispensing labs/workshops on campus face-to-face at Grafton because they cannot be offered online.

Please ensure you are able to attend the mandatory on-campus clinical laboratories / sessions that will be indicated by your Course Director in the detailed Timetable that will be available in your PHARMACY 211 and 212 Canvas courses.

DO NOT FOLLOW THE ONLINE SSO TIMETABLE. Please always follow the detailed spreadsheet Timetable that is provided on your Canvas homepage (top right button).

Tuesday 22 February Summary

Time requirements today: 5.5 hours in total
4.5 hours live, 1 hour online pre-recorded/self-access

- 9.30am-11.15am Live Zoom session – Whakatau with FMHS Clinical Student Centre team [2 hours]

---

**NOTE: Planned BPharm Prize Giving and White Coat Ceremony and Reception**

This ceremony will be postponed and we will aim to arrange holding this ceremony welcoming you into the Pharmacy profession in Pre-module week at start of Semester 2 prior to beginning of PHARMACY 213.
Tuesday 22 February morning FMHS Clinical Students Welcome

Welcome to 2022!

This is definitely not the start of the year we were hoping for! However the Faculty of Medical and Health Sciences still want to give you the best welcome that we can even with restrictions.

As part of your first week you will be required to attend the FMHS Online Orientation session on Tuesday 22nd February to be held live on Zoom from 9.30am-11.15/30.

It will begin with a Whakatau (a traditional Māori welcome ceremony) followed by introductions by our Student Support Team with information about some of the key services students can access around the University in 2022.

This will also include a Q&A with our FMHS Student Support Advisers so if there is anything you aren’t sure about or you don’t know who to speak to, that is a great chance for you to do so.

FMHS Online Orientation will go from 9:30am until roughly 11:15/30am.

The session will be open to join at 9:25 so please do your best to join before 9:30.

The Zoom link can be found here: https://auckland.zoom.us/j/91036228208

If you are unable to attend or want to speak to us privately you can contact us directly at fmhssupport@auckland.ac.nz for confidential advice.

For any enrolment questions please contact fmhs@auckland.ac.nz

The FMHS Student Centre Team
