

# 2014 Learning journals

To add a learning journal:

1. Make sure you have logged-in
2. Click on the link below for the correct week for your learning journal; e.g., "Week 03 Learning journals - 2014"
3. Click Create Page
4. Give it a **meaningful** title like "Things I wish I knew before starting this course"
5. Write (or paste-in) your journal entry
6. Add labels to your new page, that include the year, week-number, and the word journal. For example, "journal 2014 week06" (without the quotation marks).

When entering week-numbers please use 01, 02, etc.

That is to say:

week01

week02

week03 .. and so on

The labels are really important, as they organise the pages (learning journals) you create so that they can be easily found.
