- Had a meeting with AUT SB counsellor (Hamid) and their SB volunteers. Some leadership issues discussed. Still to be fully resolved. In the meantime the membership drive encouraged to be done.
- The AU SB committee structure is fully volunteered. We had a strategy session, facilitated by Loreen Ozolins in February to chalk about a 5 year plan.
- The AU WIE affinity group structure is complete. Planning on a strategy session next week.
- Once AUT SB is complete then I will arrange regular coordination update meetings with the different student affinity groups  
With regards to the 2011 R10 Student/GOLD/WIE preparation, The SAC has been fully involved with all the planning, scheduling and financial aspects. No cause of concern at this stage.
