

Fast Forward Lecture Series 15 September 2010

Christina van Bohemen & Aaron Sills, Sills van Bohemen Architects,
Auckland

(Architecture and Planning)

15 September 2010

6.30pm

Venue: Engineering Lecture Theatre 1.439, Bldg 401, 20 Symonds Street, Auckland

Cost: Free admission – no bookings required

Since forming their joint practice in 2001, Christina van Bohemen and Aaron Sills have built a reputation for innovative residential and institutional projects. In recent years the pair have also established themselves as leaders in the field of urban design and master planning – they were finalists in the 2001 Britomart Competition and the 2009 Queens Wharf Competition, and in 2005 won the Devonport Urban Design Competition.
