

Fast Forward Lecture Series

Thom Craig, Thom Craig Architects, Christchurch

(Architecture and Planning)

22 September 2010

6.30pm

Venue: Engineering Lecture Theatre 1.439, Bldg 401, 20 Symonds Street, Auckland

Cost: Free admission – no bookings required

Since arriving in NZ in 1987, Thom Craig's boldly contemporary buildings have won him a steady stream of architectural awards. Working with Warren & Mahoney, Modern Architecture Partners, and now as Thom Craig Architects, Craig's output extends across the architectural spectrum from residential and retail to commercial and civic projects. His work has been widely published, and he was one of just four New Zealand architects was included in The Phaidon Atlas of Contemporary World Architecture.
